Tuesday, April 9th, 2024

For Immediate Release

F28 (Penn St NW) Closing Week of April 15th, 2024 Project #2112202190

Johnson County, Iowa – Weather permitting, closure on West Penn Street is expected to begin the week of April 15th, in Sections 9 and 10, Township 80 North, Range 07 West, Madison Township, Iowa. Penn Street will be closed to all traffic during Phase 2 from just East of the James Ave intersection to Herky Drive. Travelers should use the posted detour route. Phase 1 Construction of the Penn Street/James Intersection is slated to begin later this summer. This is a joint project between the city of North Liberty and Johnson County.

Construction is expected to be substantially complete by the end of August. Peterson Contractors, Inc. of Reinbeck, Iowa is the prime contractor and can be reached at 319-345-2713.

Please slow down and drive defensively within the project corridor. Your patience and understanding are greatly appreciated while we work to complete these improvements as quickly as possible.

For updates on this project, visit the city of North Liberty's website at northlibertyiowa.org.
